LIBRARY*

*NORTH CAROLINA LIBRARIES
FOR VIRTUAL EDUCATION*

NC LIVE @ HOME PASSWORD REGISTRATION

Upon verification of the information provided on this form, Stanly County Public Library will provide that patron with a password for NC LIVE @ Home Access. In return, the patron agrees not to divulge this password to other people. Sharing of this password may result in the loss of library privileges.

The password will change every three to six months; notices will be posted at all five SCPL locations and on the library website at <<http://www.stanlylib.org>> to notify patrons when the password is due to expire. The patron is responsible for obtaining the new password; the registration process must be repeated each time a new password is issued.

SCPL will provide patrons with written instruction and other information specifically regarding at-home access & use of the NC LIVE databases; the patron accepts responsibility for the actual use or configuration of the individual personal computer or peripherals. The patron further agrees to bear sole responsibility for any data loss or damage to hardware or software that might result from accessing NC LIVE or any of its resources.
