

INSTITUTIONAL BORROWER'S APPLICATION

Institutions in Stanly County are eligible to apply for an institutional card. An institution is defined as Child care, Preschool, Kindergarten, School, Prison, Hospital, Nursing Home or Retirement Community. Agencies of Stanly County Government may also be issued an Institutional card. The purpose of the card is to supplement the materials needed by the institution. Employees of the institution must use their own card, and if living outside the county, must purchase out of county cards annually. If the library determines that an institutional card is being abused, the library will terminate borrowing privileges. Institutional cards must be present to check out materials. The same regulations applying to individual adult resident borrowers apply to institutions. Circulation managers and outreach staff must approve applications for issuance of card.
